DB International Procurement Office (IPO) Asia

- Your one-stop partner for successful projects with Deutsche Bahn.
- Bring your sustainable products, services and innovations to Deutsche Bahn.
- We guide you from supplier registration through the entire procurement process.

The IPO is your local partner in Asia.

- Direct communication and personal support on site – also in Chinese and Hindi.
- Your access to upcoming tenders.
- Preparation for participating in European tenders and Deutsche Bahn's e-procurement system.
- We connect your innovative products with the right stakeholders across Deutsche Bahn.
- Support with prequalification and quality audits.

Global partnerships are the key to a strong and resilient supply chain

Network

- Local contacts with direct access to the right decision-makers across the Deutsche Bahn Group.
- Visibility into future demand to position your products effectively.

Commitment

- International suppliers are welcome – and supported by the IPO every step of the way.
- Transparent and fair access to every tender.

Opportunities

- Demand in Germany is expected to exceed local supply.
- International innovation and best practices drive our growth.
