

# Project profiles for reference projects domestic and abroad

GU-Projects

---

July 2024 | Berlin

# Service unit GU-Projects Germany service portfolio, project references

## Project file Niesky-Lohsa

Client: DB InfraGO

Contractor: DB Bahnbau Gruppe GmbH

Period: 2015 - 2023

### Construction services:

- planning services
- superstructure
- culverts
- level crossings
- stopping points
- civil engineering incl. embankments and crossings
- cable trough system
- noise barriers
- electrical power systems
- overhead contact line
- telecommunications

# Service unit GU-Projects Germany service portfolio, project references

## Project file Nordkreuz Karow

Client : DB InfraGO  
Contractor : DB Bahnbau Gruppe GmbH  
and Implenia GmbH  
Period : 2017 - 2024

### Construction services:

- planning services
- superstructure
- overhead contact line
- noise barriers
- cable trough system
- cable laying
- Control and safety technology
- telecommunications
- electrical power systems

# Service unit GU-Projects Germany service portfolio, project references

## Project file Knoten Halle

Client: DB InfraGO  
Contractor : DB Bahnbau Gruppe GmbH  
Period: 2018 - 2024

### Construction services:

- planning services
- Overhead contact line
- cable trough system
- cable laying
- building construction
- noise barriers
- technical building equipment
- control and safety technology
- telecommunications
- electrical power systems

# Service unit GU-Projects Germany service portfolio, project references

## Project file Los B S21 (ATAQ)

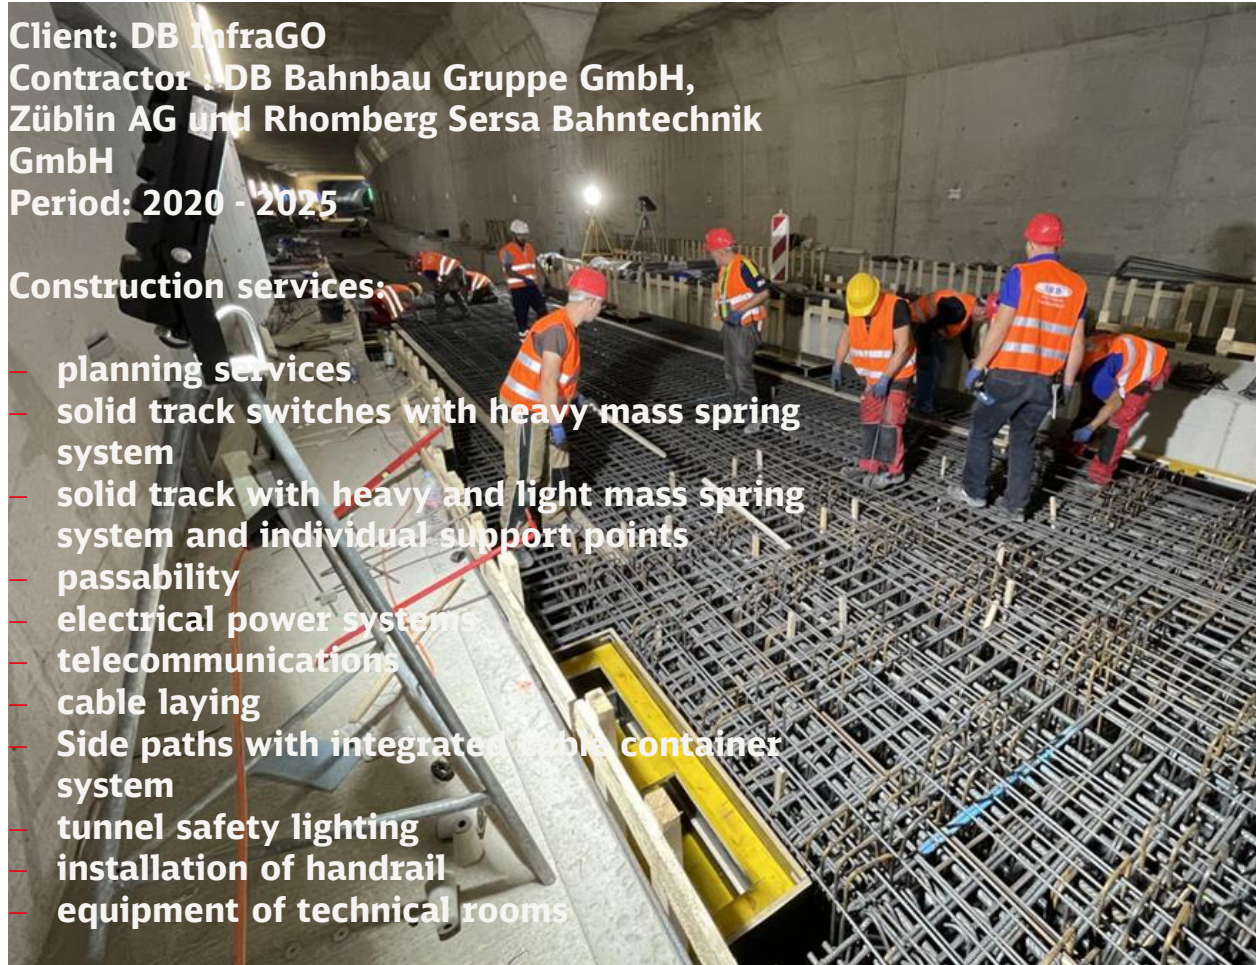

Client: DB InfraGO

Contractor: DB Bahnbau Gruppe GmbH,  
Züblin AG und Rhomberg Sersa Bahntechnik  
GmbH

Period: 2020 - 2025

### Construction services:

- planning services
- solid track switches with heavy mass spring system
- solid track with heavy and light mass spring system and individual support points
- passability
- electrical power systems
- telecommunications
- cable laying
- Side paths with integrated cable container system
- tunnel safety lighting
- installation of handrail
- equipment of technical rooms

# Service unit GU-Projects Germany service portfolio, project references

## Project file Los D S21 (AFIL)

Client: DB InfraGO

Contractor : DB Bahnbau Gruppe GmbH,  
Züblin AG und Rhomberg Sersa

Bahntechnik GmbH  
Period: 2020 - 2026

### Construction services:

- planning services
- heavy mass spring system
- solid track
- solid track switches
- passability
- electrical power systems
- telecommunications
- cable laying
- cable trough system
- tunnel safety lighting
- equipment of technical rooms

# Service unit GU-Projects Germany service portfolio, project references

## Project file SFS 1733 Göttingen-Kassel

Client: DB InfraGO  
Contractor : DB Bahnbau Gruppe GmbH  
und Spitzke  
Period: 2021 - 2021

### Construction services:

- planning services
- track renewal
- switch renewal
- rail renewal
- control and safety technology
- electrical power systems
- telecommunications
- cable trough system
- cable laying
- ventilation

# Service unit GU-Projects Germany service portfolio, project references

## Project file Forchheim

Client: DB InfraGO

Contractor: DB Bahnbau Gruppe GmbH  
and Markgraf GmbH und Co. KG

Period: 2021 - 2024

### Construction services:

- planning services
- Track construction
- structural engineering
- stopping points
- Civil engineering
- cable trough system
- signal booms
- Control and safety technology
- electrical power systems
- telecommunications

# Service unit GU-Projects Germany service portfolio, project references

## Project file Angermünde-Passow

Client: DB InfraGO  
Contractor : DB Bahnbau Gruppe GmbH  
and Königbau GmbH  
Period : 2021 - 2025

### Construction services:

- planning services
- superstructure
- cable trough system
- civil engineering
- overhead contact line
- structural engineering
- noise barriers
- building construction
- Control and safety technology
- electrical power systems
- telecommunications
- cable laying

# Service unit GU-Projects Germany service portfolio, project references

## Project file ABS 46/2 BA 2 Oberhausen-Emmerich section Dinslaken

Client: DB InfraGO  
Contractor : DB Bahnbau Gruppe GmbH  
and Implenia GmbH  
Period : 2023 - 2028

### Construction services:

- planning services
- renewal of existing tracks
- superstructure
- civil engineering
- cable trough system
- structural engineering
- noise barriers
- control and safety technology
- telecommunications

# Service unit GU-Projects Germany service portfolio, project references

**Project file ABS 46/2 BA 3**  
**prof. Bf. Friedrichsfeld**

**Client: DB InfraGO**

**Contractor : DB Bahnbau Gruppe GmbH  
and Implenia GmbH**

**Period: 2024 - 2025**

**Construction services:**

- planning services
- construction of a temporary platform  
(system Grünsfeld of the DB Bahnbau  
Gruppe)
- superstructure
- civil engineering
- cable trough system
- underpass of people and park and ride  
facility
- control and safety technology
- electrical power systems
- telecommunications

# Service unit GU-Projects Germany service portfolio, project references

## Project file LSW Lahnstein

Client: DB InfraGO

Contractor : DB Bahnbau Gruppe GmbH

Period : 2024 - 2025

Construction services:

planning services  
noise barriers

# Service unit GU-Projects Germany service portfolio, project references

## Project file LSW Deutzen

Client: DB InfraGO  
Contractor : DB Bahnbau Gruppe GmbH  
Period: 2021 - 2024

### Construction services:

- planning services
- noise barriers

# Service unit GU-Projects Germany service portfolio, project references

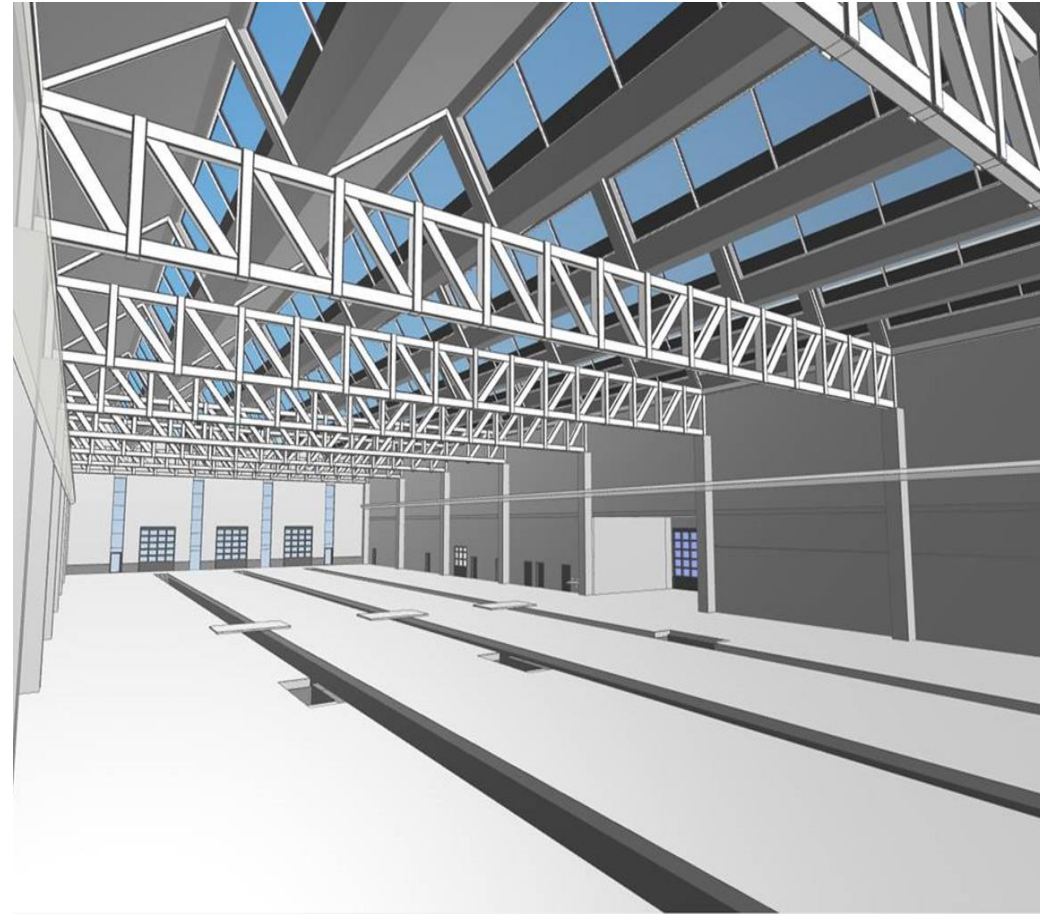

## Project file Standortkonzept Königsborn

**Client:** DB Bahnbau Gruppe GmbH  
**Contractor :** intern BBG / GU-Projekte  
**Period:** 2019 - 2028

### Construction services:

- planning services
- structural engineering
- electrical systems (MS/NS)
- traffic systems
- technical building equipment
- Building equipment
- track systems
- cable trough system
- Cable laying
- BMA/EMA

# Service unit GU-Projects abroad service portfolio, project references

## Project file Erneuerung Hauptbahnhof Oslo

**Client:** Bane Nor (vormals Jernbaneverket)  
**Contractor :** DB Bahnbau Gruppe GmbH  
**Period:** 2010 – 2012

### Construction services:

- Track renewal
- Switch renewal
- tamping work
- superstructure welding
- voltage equalization

# Service unit GU-Projects abroad service portfolio, project references

## Project file Mesilot, Israel

Client: Netivai Israel

Contractor : DB Bahnbau Gruppe GmbH

Period: 2014 - 2018

### Construction services:

- track renewal
- switch renewal
- tamping work
- welding
- voltage equalization

# Service unit GU-Projects abroad service portfolio, project references

## Project file Dugo Selo, Kroatien

**Client:** Hrvatske željeznice (HŽ)

**Contractor :** DB Bahnbau Gruppe GmbH

**Period:** 2015 - 2018

### Construction services:

machine position including crews

sleeper laying

reconstruction tamping

Switch installation

superstructure welding

# Bahnbau Gruppe

Wir bauen die starke Schiene.
